SLEUTHS GET LIQUOR CARGO

Harbor Will Care For Largest Vessels

SMUGGLERS AND 93 CASES BOOZE ARE CAPTURED BY DRY AGENTS

SAN FRANCISCO, July 31.—Following reports of a mysterious steamer off Half Moon Bay busily delivering its contraband liquor to a fleet of small launches, prohibition agents swooped down upon Fisherman's Wharf at dawn today, arrested four smugglers and seized 93 cases of smuggled whiskey.

The men arrested and charged with violation of the Volstead Act are: Richard Campenelli, 32, chauffeur, 1750 Chesnut street.

James Black, 57, watchman, 676 Greenwich street.

Frank Dalia, 35, Merchant, 524 Twenty-ninth avenue.

Carlo Cifali, 40, laborer, 856 Lombard street.

On Monday officers of the Japanese liner Malacca Maru reported to the prohibition office that while two hours distant from port they saw a small steamer off Half Moon Bay unloading liquor to launches.

Following an unsuccessful search for the mysterious vessel by the Coast Guard cutter Shawnee, federal prohibition agents patrolled the stretch from Half Moon Bay to San Francisco all night, arriving at Fisherman's Wharf at dawn and just in time to catch the four men transferring cases of liquor from a fishing trawler to an auto truck. The men admitted that the liquor was smuggled.

Delegates Return From Convention Christian Church

Mesdames Anna Swan, C. H. Bradshaw and J. E. Tarr Jr., and Miss Nannie Nesbit and Miss Helen Moors, delegates from the First Christian church to the state convention of Christian churches held at Santa Cruz July 23 to 29, have returned home after spending a very enjoyable time there.

Mr. and Mrs. C. C. Kratzer and Dr. and Mrs. T. A. Boyer motored down to the convention over Sunday. Richmond was represented by two beautifully decorated automobiles in the Christian Endeavor parade put on during the convention.

Vocalians Score Big Hit At Meet

The Vocalians, popular local male chorus, scored a big hit last night when they rendered a program at the social meeting of the local lodges of the Sons and Daughters of St. George, held in Moose hall. The chorus, which is composed of thirty-three voices, gave an exceptional performance which was well received by the large crowd in attendance. S. J. Osborn, a member of the Sons of St. George, is director of the group.

At the conclusion of the program, refreshments were served by the following: Mesdames J. Pimm, Frank Thompson, Arthur Baker and C. Badcock.

HOME FROM THE SOUTH

18th Birthday Of C. S. Renwick Jr. Is Celebrated

The C. S. Renwick home at 1225 Nevin avenue was the scene of a gay event last evening when the eighteenth birthday of Charles Renwick, Jr. was honored with a surprise party given by a number of his friends.

An impromptu program rendered during the evening was featured by piano solos by Bob Kennedy and saxophone selections by Howard Roe. Dancing was also greatly enjoyed, and the evening was brought to a close by the serving of delicious refreshments. Cornelius Healey was in charge of the arrangements for the event.

Those present included Mesdames C. S. Renwick and George Edwards; Misses Gertrude Feudner, Eleanor Robinson, Alice Maloney, Isabel Mino, Helen Clark, Dorothy Gillard, Mabel Caron, Margaret Carey, Clara Hoover, Esther Maxwell and Evelyn Renwick; Messrs. Gay Vargas, Al Axelsson, Ray Campbell, Cornelius Healey, Louis Kiraly, Joe Gurney, Harold Differding, Howard Roe, Walker Dennison, Ed Lemkuhl, Bob Kennedy, William Burke, Kenneth Leam, Sidney Gnaga, Art Muth, Elwood Lemkin and Charles Renwick, Jr.

Rev. Baker Home From Vacation

Rev. Frank Baker, pastor of Wesley Methodist church, and Mrs. Baker have returned from a several weeks' vacation spent at Sacramento. Mrs. Baker was taken ill on the trip and is now quite ill at the Baker home on Eighth street. Miss Ruth Baker, their daughter, enjoyed a vacation at Lake Tahoe.

Rev. Baker will be in charge of the regular mid-week gathering this evening at the church.

Doing To Stage Radio Concerts

Radio concerts will be staged in the Lincoln auditorium this winter, according to Frank T. Doeing, proprietor of the Richmond Radio Shop, who plans to install a radio receiving set on the stage of the auditorium in the near future. Concerts and lectures will be given every two weeks during the winter months.

GOES ON ERRAND BOY DISAPPEARS MANY SEARCHERS COMBING FOREST

SAN FRANCISCO, July 31.—Lost for two days in the mysterious recesses of Suto Forest, Harold Smithart, 15, of 1515 Sixth avenue, who dropped from sight Monday morning after leaving home on an errand for his father, was sought tonight by a small army of Boy Scouts.

The Scouts volunteered to search the heavily wooded section when it was learned that young Smithart was last seen on his way to the forest. Fear was felt by the father, Karel L. Smithart, an employee of the Shell Oil Company and a widower, that Harold either might have been molested in the forest or suffered some accident and afterward lost his way.

Smithart asked the boy to perform an errand which would take him on the other side of Twin Peaks. Harold left Monday morning at 10 o'clock, and told his sister, Miss Clara Smithart, who was the last to see him, that he believed he would take a short cut through the forest. He waved his hand goodby and started toward the forest.

The missing boy graduated from the Grattan Grammar School last June. He has light brown hair, gray eyes, is 5 feet 2 inches tall, well developed for his age and weighs about 128 pounds. He wore when last seen a woolen suit of military drab, a drab shirt and a blue sweater, brown cap and black lace shoes.

Leonard Cole Is On Crutches From Injury To Foot

Leonard Cole, 663 Thirtieth street, is suffering an injured left foot which was bruised when a barrel fell on it at the Oleum plant of the Union oil company where he is employed. The accident occurred on Monday morning, and he was brought here to the Eemergency hospital where he was treated by Dr. L. St. Hely. He is now about on crutches.

Mrs. Kratzer Will Erect New Building

Construction of a two story two flat building for Mrs. Clark C. Kratzer on Bissell avenue adjoining the Wilson-Kratzer funeral parlors, is under way and is to be rushed to completion. The building will contain two 6 room flats and will cost approximately \$10,000. W. Snelgrove is the contractor.

Mr. and Mrs. Kratzer will occupy the upper flat and Mr. and Mrs. Aubrey, Wilson the lower.

BIG BUSINESS IS BEING DONE FOR INDUSTRIES AT CITY WHARF

Soundings of Richmond's harbor entrance channel taken by engineers of the rivers and harbors bureau of the United States War Department, received here yesterday by Harbor Manager J. H. Misner, show that the channel is deeper by an average of two feet, than the contract entered into jointly by the Government and the city with the United Dredging company called for. This means money for Richmond states Misner, as much larger ships can be accommodated.

The "Wairuna" of the Union Steamship company of New Zealand took on a cargo of 30,000 cases of lubricating oil and gasoline at the Municipal wharf yesterday. She took on 50,000 cases at Point San Pablo and came here to finish loading. She is a ship of 3645 tons net register.

The "Esther Dollar", a British steamer of 4845 tons is scheduled to dock the afternoon of August 5 to take on a cargo of lubricating oil and gasoline for Manila, Hongkong, Kobe and other Oriental ports. The "Esther Dollar" circles the globe and left Marseilles for San Francisco on June 3. It will be one of the largest ships ever to stop here. Other boats are expected in the very near future, but bookings for them have not yet been completed.

Both the warehouse and the wharf are on a paying basis, Misner stated yesterday. "We are trying to give this county cheap and efficient shipping service, to compete with San Francisco," he continued. "When we do that we are accomplishing something for the people that pay the taxes."

"Many taxpayers, however, take no interest in what we are doing to promote shipping activity here and what we have already done, and some are even ignorant of the fact that we have any such thing as a wharf here."

"We are serving five of Contra Costa county's big industries, and in the very near future we hope to handle two more. At the present time we are making space for 3,000 tons of storage and more if we can furnish it. There are now in storage 1100 tons of Fullers earth, 1400 tons of pig iron and 3,000 tons of navy stores."

Within ten days the United Dredging company dredge is expected here to start work widening the entrance channel to the inner harbor 150 feet. This channel is already 300 feet wide and plans call for an ultimate width of 600 feet.

Dredged material will be used to build up 2000 feet of training wall on the end of the 800 feet already started from Brook's island, and to fill in ground for future factory sites.

Silver Cup Is Given Police Department

Presentation to the San Francisco police department of its silver cup won in the tug of war at the Fourth of July celebration, was made by Wallace Snelgrove, Frank Rhoads and Sheriff R. R. Veale of the celebration committee this week at a public meeting of the Police Commission in San Francisco. The cup was formally presented by Sheriff Veale.

Dr. T. A. Guthrie accompanied by Mrs. Guthrie, returned yesterday from a month's outing at Pescadero.

Doctors States Crisis Passed With President

SAN FRANCISCO, July 31.—President Harding has passed the crisis of his illness, according to a statement made to newspaper men by Brigadier-General C. E. Sawyer, chief medical advisor to the President, late this afternoon. He is now, barring unforeseen complications, on the road to complete recovery.

Dr. Sawyer explained, however, that the crisis in pneumonia did not come until the ninth day, and that extreme care must still be exercised.

A bulletin giving Hardings condition was issued at 4 o'clock this afternoon. It stated that his fever was one degree less than on the previous day; that his breathing was 44, the same as Monday night, and had increased four beats since morning; and that his pulse heat was 120 or 44 above normal.

ALSTROM BECOMES ADEPT AT TELLING FISH YARNS

Constable A. A. Alstrom isn't spinning any yarns about the big fish that got away while he was on a week's angling trip in Meadow Valley, Pulmas County, and from which he has just returned. Instead he dwells at length upon the numbers of them and he tells of everyone catching the limit with such ease that his envious hearers conjure up mental pictures of having to scare the fish away.

He maintains quite seriously, however, that fish are more numerous than he has seen them in years.

Liberty Yeomen Arrange Picnic At Neptune Beach

Plans for a picnic at Neptune Beach on August 26 and a big whist party to be given in the near future, were made last night at the meeting of Liberty Yeomen in Redmen's hall. The meeting was attended by a large portion of the membership.

Mrs. Joella Bonham is in charge of the whist party and Bert Healey the picnic arrangements. All Yeomen and their friends are welcome to the picnic, and a large affair is expected.

Following the meeting a banquet was served by a volunteer committee headed by Mrs. Anna Bowen.

Girl Attacker Asks Probation Of Sup. Court

George Allen of this city, 60, pleaded guilty yesterday afternoon before Superior Judge H. V. Alvarado and asked probation be extended him on a charge of lewd and lascivious conduct. Allen was arrested following a crime against a Richmond child of extremely tender years and was hurried to the county jail by authorities when they heard of threats against their prisoner. Allen admitted the crime. His probation plea will be heard August 13.

JUDGE MC KENZIE STARTS ON HIS VACATION TODAY

The month of August will be vacation month for Superior Judge A. B. McKenzie and attaches of Department Two of the Superior Court. Last court business until September 1 was transacted yesterday afternoon. During the month calendars of both courts will be heard by Judge H. V. Alvarado.

3 WELL BORERS ELECTROCUTED; TOOLS HIT HIGH VOLTAGE LINE

STOCKTON, July 31.—Andrew J. Munch, well borer; Louis Lertora, his nephew, and Alec Wilson, an employee, were electrocuted this morning while boring a well on the David Lyman ranch at Morada, north of this city. Wilson's body was badly charred and his left leg was almost burned off. Flames attracted the attention of W. T. Covell, who hastened to the scene. Help was summoned and the bodies dragged from the wreckage, which had fallen across a high-power wire.

'Vacation' Is Meeting Topic Of Fellowship

Yarns about vacations were spun by five members to the great enjoyment of the remainder of the membership at the meeting of the Good Fellowship club of the First Presbyterian church last night. The spinners, who received hearty applause for their efforts, were H. K. Sanborne, B. X. Tucker, Charles St. John, W. W. Giberson and F. J. Stark. R. L. Spencer was called upon to say a few words during the course of the evening.

Lead by F. S. Newsom, and with Miss Dorothy Rector at the piano, the club joined heartily in community singing that served to make the meeting lively. Rev. H. K. Sanborne presided in the absence of J. A. Long.

Green Pleads Not Guilty To Burglary Charge

Harvey Green, blind Richmond negro, pleaded not guilty yesterday afternoon to a charge of burglary and his trial was fixed for October 9 by Superior Judge H. V. Alvarado.

Green, the authorities allege, was the accomplice of George Yates, who last week admitted the theft of lumber from a Richmond lumber yard and asked probation. Green's defense, it is said, is that he is blind and could not have done what the authorities claim he did. Yates' probation plea has not been heard.

R. A. M. To Confer Degree Tonight

One of the biggest Masonic meetings of the year will be held this evening in Masonic hall when the most excellent degree will be conferred on five members of Richmond Chapter, Royal Arch Masons. The work will be put on by the officers of Alameda Chapter which will have a large delegation present at the ceremonies. Light refreshments will be served.

OPPORTUNITY FOR AMERICANIZATION BEST NOW, SAYS MACCAHEE HEAD

DOLISH
IMMIGRANT
BOYS

FUTURE
AMERICANS

CHICAGO. — Americanization work seems to be suffering a slight reaction from its period of after the war activity, but the opportunity for effective work is better now than ever, it was declared by D. P. Markey, supreme commander of the Maccahees, in an address to a state meeting of social settlement workers here.

"There was never such a chance for effective Americanization teaching as at present," said Mr. Markey. "Workers are prosperous now and are in the right mood to appreciate the advantages of America. The restriction of immigration means that we have better material to work with. Concentrated effort on the relatively small addition of new comers will give the best results we have ever had. This is no time to slacken in Americanization work."

"More than 300,000 aliens came

in during the last six months for which the reports are complete. Half the number are of Slav and south European race. There were 36,000 Germans, 43,000 Hebrews and 3,885 negroes from Africa among the immigrants for the period. The Maccahees have recently amalgamated their national benevolent organization with the Pennsylvania state home, making the relief work of the order national wide, and part of the national program is Americanization work. Immigration reports show that these incoming aliens go in bodies of 25,000 and more to the industrial centers. In the last six months 25,000 went to Illinois, 24,000 to Massachusetts, 28,000 to Pennsylvania, and 20,000 to Michigan. They are thus divided into convenient groups for concentrated education in American ideals and this should be carried on continuously."

Chinese Theories Regarding Diseases of the Heart and Methods of Healing

The heart is red like the sun. It controls the circulation of the blood of the body. The natural color of the fire element is also red; therefore the heart is classified under the fire element of the body. When the five principal elements are working with equal balance and power, the heart is free from disease. The two main sources of diseases of the heart are inflammation and congestion. If the blood of the heart is inflamed, it causes high blood pressure and enlargement of the heart, in which latter case, the heart swells, cracks, inflammation produces pain, gas, palpitation, sore chest, shortness of breath, hardening of the arteries, swollen legs, dropsy, fits, nervousness, headache, fatigue after slight exertion, a pulsating noise in the heart, insanity and heart failure.

According to the Chinese theories, insanity and fits belong to the same class of elements, the only difference being that one is more violent than the other. Inflammation of the heart and of the nerves which run from it to the brain, is the cause in both cases. The inflammation condenses the moisture, which in the reason why most of the people who have fits, foam at the mouth. Inflammation of the heart sometimes extends to the small intestines and causes them to bleed. This is the blood that appears in the urine.

Weakness and inflammation combined cause blood clots in the eyes. Such cases frequently befell the eye specialists. Weakness of the heart frequently causes a person to be afraid of the dark, or to fear that some one is plotting to kill him. Such sufferers often cry out, lament, or have disturbing dreams.

When the heart is weak, it causes low blood pressure, paleness, swollen legs, dropsy, etc.

A case of sudden fright affects the heart and requires immediate attention. Slight indigestion will cause gas and palpitation of the heart temporarily but is insufficient cause for alarm.

Each herb has its own idea and his own methods of compounding herbs. The herbs prepared for heart trouble by the FONG WAN SPECIALIST cannot be obtained elsewhere. While the herbs in these compounds are mild and harmless, yet they are effective.

The little boy of Mr. Paul Silva, 329 North C street, San Mateo, Calif., was afforded permanent relief by these herbs.

The FONG WAN HERBS take away the inflammation from the heart, after which the gas and pain disappear. Some varieties of herbs are put in to enrich the blood and to eliminate gas. When the inflammation is gone the heart returns to its normal size and the leakage is stopped.

Physicians Say: "I Can't Understand"

Stockton, Calif., June 20, 1922.

To Whom It May Concern:

Last January, I was told by four American doctors that I had hardened arteries and Bright's Disease of the kidneys—and that both were incurable. They could not help me.

Some friends of mine persuaded me to try the FONG WAN HERB CO. I had no hope of obtaining relief from them—thinking that if American doctors could do nothing for me, I was doomed. However, I called on FONG WAN and he told me that I had high blood pressure and weak kidneys and that he could cure me easily in five weeks.

I began treatment with him, and after the first two weeks, the same American doctors who had pronounced my case incurable, called on me at all times with me. They said that I was entirely well. They could only shake their heads and say, "IT IS IMPOSSIBLE TO PUT A HEART, ANYWHERE, OR KIDNEYS IN IT."

SIMPLE TO PUT A HEART, ANYWHERE, OR KIDNEYS IN IT. I did for me and I have never felt better in my life than I do now. It is six months since I took treatment and I am well as I ever was in my life. FONG WAN brought about my cure in five weeks. I cannot too highly recommend the FONG WAN HERB CO. to all who are in need of treatments.

High Blood Pressure Relieved

Stockton, Calif., May 19, 1923.

Fong Wan Herb Co.,
Oakland, Calif.

Gentlemen:

I suffered with high blood pressure and heart trouble for the past four years. This spring I became so bad that I did not think I would live until summer. I went to several doctors and they told me they could do nothing for me. My blood pressure was 202. After four weeks treatment the pressure was down to 150, just slightly above normal. Today after 10 weeks here I took treatment and I am well as I feel well as I ever did in my life. I can walk and eat without feeling the slightest ill effects, something I have not been privileged to do for over four years. I also wrote several sanatoriums and their reply was the same as the local physicians: probably could prolong my life by remaining in bed for several months and keep on a strict diet.

Thanks to the Chinese herbs, I did not have to go to bed, and I feel that I am entirely recovered.

Yours truly,
IDA M. RICE,
15 N. Ophir St., Stockton, Calif.

Mrs. C. C. Smith, 424 St. Oakland, also has given a similar testimonial to the FONG WAN HERB CO. She suffered of the same complaints.

BACK AT WORK WITH SOUND HEART

OAKLAND, JULY 20, 1922.

For over three years, I suffered from heart trouble off and on. Recently it had become so bad that I could scarcely stand up. I was unable to work for months and my heart pounded day and night. I could not even take a deep breath without pain. Various doctors pronounced my trouble leakage of the heart with enlarged valve, and said that I must undergo an operation. I was afraid to take the risk, and did not know which way to turn. Then I happened to read in an Oakland newspaper of some of the wonderful cures made by the FONG WAN HERB SPECIALIST. I consulted him immediately and began to take his herbs. Now after having drunk them for three weeks, I am feeling splendid and am back at work again in the ALBERS BROS. FLOUR MILL.

JOHN P. MELLO, 715 Henry St., Oakland.

Mr. C. G. Jones and Mrs. Mary Silva, both of Oakland, have been cured of heart trouble. Mr. Jones was treated for leakage of the heart in the hospital for over two years. The doctors said if he ever worked again he would die in a few hours. After he took Fong Wan Herbs for two months, he has been working every day since.

Mrs. Mary Silva and Mrs. Julia Andrade both have been cured of heart trouble and have their testimonials at Fong Wan's office.

Now Working Again at Southern Pacific

ANOTHER CASE OF HEART TROUBLE

Oakland, Nov. 27, 1922.

For years, I had high blood pressure, accompanied by pain in my chest and around my heart. One of the best doctors of San Francisco told me that I could never expect to be able to work again. He said that my intestines were already filled with water, and that I was badly swollen, and when I walked, I could scarcely walk. My future seemed to hold no hope for me until one day I read in the newspaper the testimonial of several persons who had been cured of heart trouble by FONG WAN HERBS.

Despite the fact that my case was a serious one, at long standing, and although I had been unable to work at all for seven months, I resolved to try the FONG WAN HERBS. I took them for only about six weeks, at the end of which time I was able to go to work again. As my case was better, but drank them for three months, altogether.

I am very thankful for what the FONG WAN HERB SPECIALIST has done for me with his plain and harmless herbs, which I cooked at home. My work is heavy, for I am a repairer of freight cars for the Southern Pacific Railway. I am holding my job and performing my work without difficulty for I am feeling strong and fine.

Kidney Trouble and Rheumatism

Alameda, California, June 23, 1923.

Last winter I suffered with terrible rheumatic pains in my back and legs. At night the agony prevented me from sleeping. My bladder and kidneys also withered and I was miserable in the extreme. No treatment afforded me any relief until I began to take the FONG WAN HERBS. After having taken them for about eight weeks, I was completely cured and have had no pain since. I am now free from all my former complaints.

A few months ago my husband was troubled with indigestion and a sore stomach. He was unable for some months to retain his food. He took the FONG WAN HERBS for only one week and he has felt well ever since.

About the middle of April, 1923, my daughter's foot became swollen and painful. A big cancer began to form in it and the pain became so severe that she could not sleep for weeks. We had a physician attending her, but the pain instead of subsiding extended to her knee. There was evidence that her kidneys and bladder were also in bad condition.

Finally, we consulted our former herbals, Fong Wan. After having taken the first package of his herbs, which I cooked for her to drink, my daughter slept all night. After three weeks of the herbs she was able to go back to school with her slipper on. Now the swelling has entirely gone. I did not mean for Fong Wan's skill, but I must have been out of it. Because of gratitude for health regained, my husband joined me in signing this testimonial.

TAKING AN 'S' CURVE IN SINCLAIR CANYON

WHERE THE BANFF-WINDERMERE MOTOR ROAD FOLLOWS THE WINDINGS OF BOW RIVER NEAR BANFF

A THRILLING STRETCH OF BANFF-WINDERMERE MOTOR ROAD

An event of great moment in the history of automobile travel took place on June 30th, when the Banff-Windermere Motor Highway in the Canadian Rockies was officially opened. This is the last link of a 6,400 mile system of motor roads that form the "Grand Circle Tour," following which the motor tourist may visit ten national parks in Canada and the United States.

This new road is 92 miles long and extends from Banff, Alberta, to Sinclair Hot Springs in the Lake Windermere District of British Columbia, crossing the Great Divide via Vermilion Pass at an altitude of 5,660 feet. The road is of screened gravel and 14 feet wide. Despite the heights to which it climbs, the grades are remarkably low, the average being 3 per cent with a maximum 400 feet of 9 per cent. The cost was \$7,700 per mile. Scenery along this new highway is superb, much of the way it leads through virgin forest with vistas of snow-capped peaks revealed through openings and on the curves. The road begins 27 1/2 miles east of Banff and from Banff to Lake Windermere in the Columbia Valley is 104 miles more. It is possible to motor this distance in one day, but the wise motorist will not hurry, rather he will drive slowly and enjoy the trip and the scenery.

Thirty-five miles west of Banff, a detour runs to Lake Louise, the loveliest of the many lovely lakes in the Canadian Rockies. From there another nine miles of excellent roadway leads to Moraine Lake in the Valley of the Ten Peaks, where a new bungalow camp invites to a stay. Returning to the main road, one climbs up the pass under Storm Mountain where there is a new attractive rest house, then past Marble Canyon to Vermilion River Camp, a beautiful drive through virgin forest with vistas of snow-capped peaks revealed through openings and on the curves. The road begins 27 1/2 miles east of Banff and from Banff to Lake Windermere in the Columbia Valley is 104 miles more. It is possible to motor this distance in one day, but the wise motorist will not hurry, rather he will drive slowly and enjoy the trip and the scenery.

After passing through the Columbia Valley, tourists find excellent free motor camps in almost every town strung along the motorway in both Canada and the States. It is anticipated that at least 15,000 cars will pass over this new road during 1923 and that 75 per cent of them will be from the States. This highway will induce many Canadians to motor down through the Pacific Coast states and the cross-the-border travel is bound to result in a better understanding between the two countries as well as mutual financial profit.

ANNOUNCEMENT

An unusual opportunity has been afforded us to present a Nash Six cut-out show chassis.

The chassis is so arranged that every working part is fully visible and each operation can be seen in its entirety.

A competent lecturer from the Nash Factory will explain each operation in a practical manner.

Forty Three Kiddies End Enjoyable Outing At Mitchell's Canyon

Forty-three happy kiddies were reluctant to leave the vacation camp maintained for three weeks for undernourished children in Mitchell's canyon at the foot of Mt. Diablo, according to Mrs. Clara J. Wilson, local community worker, who was one of the supervisors of the camp. Not one of them was homesick, and they certainly enjoyed themselves, she declared.

The camp was so much worth while that it is planned to try it every year. C. A. Withington was supervisors of the camp, which was conducted under the auspices of the Contra Costa Public Health committee. Eight of the children at the camp were from Richmond.

Neckel is Home From Extended Eastern Trip

Charles Neckel, 761, Ninth street has returned from an extended eastern trip, in which he visited such points of interest as Grand Canyon, Yellowstone and Lake Tahoe. He was accompanied by his cousin Andrew Felix of Berkeley, and they visited relatives at Cincinnati on their trip. They have been gone since March.

American Corn and Tractors Saving Russia From Famine

DR. JOSEPH ROSEN

INDIAN corn, the maize upon which the early settlers in New England subsisted in the early days of our country, is playing a large part in the reclamation of Russia. Several million acres of Russian soil will probably bear crops next year produced out of American pure seed corn from the Middle Western States, and cultivated by American tractors.

Dr. Joseph A. Rosen, the well-known American agriculturist already famous for his "Rosen rye," went to Russia two years ago to represent the American Jewish Joint Distribution Committee with the American Relief Administration. One of the best means found for fighting famine in the Volga region was his plan whereby 2,700,000 acres were planted with American corn which, besides needing less seed, can better endure the rainless months of this dry region than the customary crops of wheat and other small grains. It also is a crop that can be cultivated

and therefore, in a soil naturally rich, saves 50 percent through the possibility of destroying the weeds.

Part of the American Jewish program of reconstruction in the Ukraine this year, Dr. Rosen has selected the best species of American corn and introduced them for seed there. Over 6,000 bushels of pure bred seed corn from Iowa, Nebraska, the Dakotas, Kansas, and Minnesota have been planted in 52 localities and next year will serve as seed for millions of acres of Ukrainian soil.

About 200,000 acres will be worked this fall by American tractors sent over by the American Jewish Joint Distribution Committee under the direction of American farm experts. The Russian government hopes during the next five years to import and build at least 50,000 tractors. It is believed that Dr. Rosen has made a contribution not only to emergency aid but also to the permanent reconstruction of Russian agriculture.

Games This Week

Wednesday—Refinery vs. Barrel House.
Thursday—Mechanics vs. All Standards.

With only two more weeks remaining on the Twilight League schedule and with the Refinery regarded as a sure winner of the championship, fans are turning their attention to speculation as to whom will compose the All Star team to be sent south for the big series with El Segundo in September. With the galaxy of stars cavorting in the league this season there should be little difficulty in picking a representative club, but there promises to be quite a problem confronting the local managers when it comes to picking the best without slighting some of the stars.

In the event that either Lefty Bell or McMorran, both southpaws, take the mound for El Segundo, it is expected that the Richmond lineup will be somewhat as follows: Stange, c; Cothran, p; Hal Nelson, 1b; Peppin, 2b; Alley, 3b; Lamarra, ss; Schaller, lf; Snavey, cf; Schulte, rf.

If Keltus or any other right hander is selected to twirl for El Segundo the lineup would probably undergo several changes. Skipper Roberts, regarded as one of the classiest receivers in the local circuit, would be delegated to work behind the log. Skipper is poison for starboard chukkers but is none too strong against southpaws.

Chick Autry, field captain of the All Stars last year, still has plenty of baseball left in him and will be the choice to cover the initial sack if a right hander pitches for El Segundo. Hal Nelson, who is expected to play first base with a left hander in the box for the southern outfit, had a trial with Salt Lake as a first sacker this spring, and is a nifty performer at that station.

Peppin, who broke up the first game of last year's series with a home run, is slated to again cover the keystone sack against both kinds of pitching. His most dangerous rival appears to be Paul Allen, who has shown marked improvement in the past year.

Favored because of his bullet-like throw across to first and his hitting ability against southpaw pitching, Dan Alley is expected to care for third base. Dan did good work in the big series last year and is figured to repeat.

Tony Lamarra appears to have the shortstop job cinched. The little Mechanic has had an exceptionally good year both with the stick and in the field. Connick, Barrel House shortstop, was figured to give Tony a run for the job but petered out in mid-season, and has been showing up rather poorly. Lamarra proved last year that he can hit southpaw pitching by cracking out some nice hits against Lefty Bell.

Schaller, Schulte and Snavey are doped to fill the outfield positions. Although the first two are left handed hitters they are experienced stickers and hit both kinds of pitching alike. Snavey kills left handers and has equal success against the starboard flingers. Other outfield candidates are Roy Nelson, Red Johnson, McNulty and Fitzgerald. In the event that Chick Autry is assigned to the initial sack for the whole series, then Hal Nelson must be figured as a dangerous contender for an outfield position.

The Richmond Elks bowling team is now leading the Bay Cities Elks Bowling League by virtue of its victory over the San Rafael "Bills" this week. The standing of the teams follows:

	W.	L.	Pct.
Richmond	10	5	.667
San Jose No. 522	12	6	.667
San Francisco	9	9	.500
Alameda	8	10	.444
San Jose	6	9	.400
San Rafael	6	12	.333

Advance ticket sales for the fight show to be staged on next Friday evening at the Point Opera House indicate that the hall will be packed by the largest crowd in attendance since the fight game was revived here a short time ago. Another all-star card has been arranged for the show and some lively matches are billed to take place, bringing together some of the classiest performers in the bay district.

George Shade, middleweight member of the "Three Fighting Shades," former Richmond boys, has returned from a several years' stay in

the east where he about broke even in his fights. He is ready to tackle any middleweight on the coast and will soon go in training with that object in view.

Demonstration Of Nash Motor At Scholes Today

Frank Scholes, local representative for the Nash, offers motorists of Richmond an unusual opportunity to view the new chassis of the Nash while in operation.

The demonstration will show all day together with a lecture at 7:30 in the evening by F. A. Galligan, a factory representative who well knows all the intricate workings of the factory's product.

The beauty of the new chassis must be seen to get even the slightest conception of wonderful piece of mechanism it really is.

That big crowds will be there today is evidenced by the hearty response given to the demonstration last evening when the chassis was given a trial operation.

"The Exciters" For Two Days At The T & D Theater

"Come down to earth!"

An expression especially applicable in the case of Ronnie Rand, played by Bebe Daniels co-starred with Antonio Moreno in the Paramount picture, "The Exciters," which is due for a run of two days at the Richmond T & D theater beginning today.

Miss Daniels, as Ronnie Rand, a typical example of the modern girl, seems to take great delight in leaving mother earth as far behind as possible. To accomplish this, Ronnie, to the annoyance of her parents, forces into service a number of power boats and airplanes, either from her own collection or those loaned by admiring friends.

But into the life of this carefree girl comes a certain Pierre Martel, a supposed crook, who is in reality a secret service agent, thus employed for the same reason that Ronnie employs speed wagons for excitement.

Antonio Moreno plays this role to perfection. It is at the first meeting of this pair, that the love interest of the story is brought to light. Their marriage in dramatic circumstances follows and then comes an unexpected climax. The picture is delightfully entertaining and is said to have exceptional heart appeal.

STAMBACH'S WILL MAKE RICHMOND THEIR HOME

Mr. and Mrs. F. C. Stambach, who have been residing in Bakersfield for the past several months, have returned to Richmond to make their home. Mr. Stambach, who is employed by the Santa Fe, having been transferred back here. They are residing at present with Mrs. Stambach's parents, Mr. and Mrs. J. H. Chandler, 521 Twelfth street.

MIRAMAR CHAPTER PLANS INDOOR PICNIC FRIDAY

Plans are being completed for the indoor picnic and brother's night to be held by Miramar Chapter, Order of Eastern Star, on Friday evening of this week in Masonic hall. All Eastern Stars and Masons are invited to attend, with the ladies to bring box lunches. Mrs. Emily Axel heads the committee in charge.

Stone-Gregory Wedding Is Held

Charles W. Gregory, popular employee at the Pacific Sanitary Works, claimed as his bride, Miss Ada Stone of Hayle, Cornwall, England, at a pretty ceremony performed at the home of Mrs. W. J. Congdon, 520 Nevins avenue. Rev. Milton R. Terry of the Episcopal church officiated.

The bride was given in marriage by Mrs. Congdon, while John Gregory, cousin of the bridegroom, acted as best man. Miss Patricia Mixon rendered musical selections during the evening. The ceremony was followed by a buffet lunch served by the hostess, assisted by Misses Mabel Shanks and Patricia Mixon.

The wedding is the culmination of a romance which had its inception when the couple lived in the same town in England several years ago. Gregory has made his home with the Congdons here for the past three years, the bride arriving in this country only three weeks ago, visiting relatives in Long Beach before reaching Richmond this week. The guests at the wedding included Mr. and Mrs. Thomas Shanks, Mr. and Mrs. J. O. Mixon, Misses Patricia Mixon and Mabel Shanks; Messrs. T. S. Townsend, J. W. Burns, John Gregory, Colin Shanks and Mr. and Mrs. W. J. Congdon.

Lions Club Told Of Building Up Of Communities

California communities have been growing fast but without any logical direction, stated Charles H. Knight, director of the industrial bureau of the California Development board, who spoke yesterday at the meeting of the Richmond Lions club. It is now necessary to give direction to their progress and it is the plan of the California Development Board to do this, he continued.

Knight described the threefold steps of the campaign as those of securing the data, analyzing the information thus obtained and then helping the various counties along the lines marked out by the survey. Ray Curt of Marysville, who entertained with negro melodies, was presented by the stunt committee for the day. A feature of the day was the singing by the club of two new songs composed by Charles F. Donnelly, song leader of the club. Deputy District Attorney Hiram Jacobs acted as chairman of the day.

Automobile men of the club headed by J. P. Strom, will put on the stunt at the meeting on August 14, and on August 24 the real estate and insurance men, headed by Isaac Lester will be in charge.

Hall W. Sanders Opens Law Office

Hall W. Sanders, former newspaper man here, has taken offices in the Grant Building over Le Moine's Sixth street drug store, and will engage in law practice, opening for practice today.

Sanders formerly practiced law in Mississippi, where he studied at the University of Mississippi. After service in the world war he took advantage of opportunity to study law in London, England. He is an orator of ability, and he has kept in touch with legal procedure during his activity in the newspaper game. He has been admitted to the bar in California.

Opening Deer Season Today; Exodus Hunters

Today marks the opening of the deer season in some California sections and not a few Richmond hunters have already left for their favorite hunting grounds while many more are preparing to trek out in the next day or two.

Some changes have been made in the law governing killing of deer, with which it would be well for hunters to familiarize themselves.

It is lawful for hunters to kill males of the species between the dates of August 1 and September 14 in the following districts:

District No. 2—Counties of Lake, Napa, and portion of Mendocino, Sonoma, Marin, Solano, Yolo, Glenn and Colusa.

District No. 2 1-2—That portion of Mendocino County between the ocean and the Russian and Eel river.

District No. 3—Portions of counties of Contra Costa, Alameda, San Francisco, San Mateo, Santa Clara, Santa Cruz, Monterey, San Luis Obispo, Kern, Kings, Fresno, Merced, Stanislaus, San Joaquin, San Benito, Ventura, Santa Barbara.

After August 17, under a new law passed by the last legislature it will be unlawful for hunters to take deer or deer meat from an open district into a closed one. However, up until that date, venison can be transported with the proper affidavits.

Burg Bros. Will Erect \$30,000 Apartment House

Marking another step in the development of the eastern portion of the city, a three story apartment building is to be erected at a cost of approximately \$30,000 on the northeast corner of Twenty-third street and Nevins avenue, for Burg Brothers. Work is expected to start this week.

C. A. Doyle is designer of the building and will be in charge of construction. He has established temporary offices with Burg Brothers on Twenty-third street, as he has decided to return to engage in the building business here.

Six three room apartments fitted with the very latest conveniences to be had. The exterior of the building will be of brick veneer, with stucco panels, and there will be an elaborate vestibule, done in Terazzo marble. It will be 50 by 80 feet in dimensions and will face on Twenty-third street.

Oak floors throughout, wall beds, all built-in features, gas heaters and authorities, water heaters are to be included in the conveniences of the apartments.

But Few Changes Made In Hudson Says J. P. Strom

The man who purchases a Hudson or Essex Automobile need to have no hesitancy in making this their choice for fear that there may be a radical change of design overnight," says J. P. Strom, the well known dealer for this popular line of automobile. "In fact there has not been any sensational changes since the first Super Six made its appearance in 1916 as compared with the great majority of other makes. The lines of the Essex are practically the same as the first cars built in 1919." It stands to reason that the purchaser of a Hudson or Essex several years ago can get more satisfaction out of driving his car today for this very reason. "There is also another angle which is of much interest to owners; and that is the resale value of their old car when they are in the market for a new one."

Nearly 500,000 Passengers Are Carried By Ferry

All previous records for the Richmond-San Rafael Ferry Company were broken during the fiscal year of 1923, according to an announcement that 477,978 passengers were carried between Richmond and Point San Quentin during that time. In 1922 the company carried 408,176 passengers.

With the completion of the new terminal, it is believed that next year will see the shattering of all records, as the new terminals will shorten the running time of the ferries seven minutes each way.

The Santa Fe ferry from Richmond to San Francisco carried 168,563 passengers during the past year, while 179,218 were carried by the company in 1922. More than 42,000,000 passengers crossed between Oakland and San Francisco on the other ferries during the past year.

Sub Station Of Pacific Gas Is To Be Enlarged

Two lots on Tenth street near Ripley in the Richmond Home tract, adjoining the present sub-station, have been purchased by the Pacific Gas and Electric company. According to L. H. Newbert, division manager of the company, the property is to be used for enlarging the present power house facilities, which expansion is necessary because of the increased demand for service here. An extension of 1555 feet of 3-inch main will be made in Golden Gate, Marin, Western Drive and Ocean avenue to supply ten new applicants.

Emily Kenna Given A Birthday Party

Miss Emily Kenna was the motif for a birthday party given by a number of her fellow employees of the Sherman-Williams Company of Oakland at her home in Stege. Dancing, singing and games were followed by the serving of refreshments at a late hour.

Guests included Margaret McNeil, H. Stang, Sydney Baker, Fred Brown, Milton Gerran, James Gerran, Pauline Glonchocino, Horace Burkhardt, Angelina Giovanni, Lourde Gerran, Esther Mason, Merle Hughes, Budd Lanthier, Toots Carrieh, May Brown, Agnes Smythe, Carl Carlson, Mr. and Mrs. Neil Yesson, Mr. and Mrs. John Bozich, Anna Mason, Minnie Gerran, P. Soldavina, William McNeill, Clare Kenna, Emily Kenna and Agnes McNeill.

"A Blind Bargain" Goldwyn Picture At Macdonald

"Get married?" "What for?" That's the way Jacqueline Logan, who will be seen in Goldwyn's spectacular melodrama, "A Blind Bargain," which comes to the Macdonald today, answers the expectation that the members of the revived "Floradora" sextette will follow in the celebrated footsteps of the original, and all capture millionaires.

"We don't have to marry millions any more. We make 'em!" says Miss Logan further, and tosses her Titian head saucily, and asserts further: "I guess the millionaires feel pretty inadequate when they try to compete with the movies."

"Years ago poor girls went into the chorus because it gave them a chance at the millionaires. Now they do it because it gives them a chance at the 'movies'."

"The original 'Floradora' girls did all they could in their day—every one married a millionaire—but now they would probably be motion picture stars!"

"I know a millionaire's wife, and I want to tell you her allowance isn't any bigger than my salary is going to be."

"Men used to think all they had to do was to pile up a million or so—but now—"

Miss Logan has to date: One very handsome automobile. One man to drive it. One expensive bungalow in Hollywood, Cal. (where they're all expensive.) One maid. One gorgeous personal wardrobe. One blue ribbon chow dog.

All inside of a few months. Millionaires? Well, they'll have to offer something more attractive than millions.

CARD OF THANKS

We wish to thank our many friends during our sad bereavement for their kindness and deepest sympathy during the sickness and loss of a dear wife, mother and daughter.

We also wish to thank Onetah Council No. 96 and Degree Team, Onetah Tribe No. 133, Richmond Temple No. 86, Pythian Sisters, Fraternal Brotherhood, Maccabees, South Richmond Improvement Club, City Officials and Employees, N.
